

US NEWS & World Report 2018 Best Graduate Schools Rankings

The 2018 edition features information and rankings in business, law, education, engineering, medicine, health and nursing as well as other specialty rankings and PH.D programs. Not all programs are ranked every year, although the US News website presents the most recent rankings for every program they rank, whether they were ranked in 2018 or not.

Below are UIC highlights:

- The Master's in Nursing program improved to 20th from 23rd.
- Nursing DNP improved to 15th from 26th.
 - College of Nursing specialty programs in the top 20:
 - Nurse Practitioner, Family ranks 11th.
- Ph.D in English ranks 35th.
- Ph.D in Psychology ranks 75th.
- Part-time MBA program improved to 66th from 78th.
- College of Education declined to 48th from 41st.
- College of Engineering declined to 63 from 60th.
- College of Medicine (research) declined to 52nd from 47th.
